Breakdown shall be defined as the inability of the Employer to operate its plant because of any condition beyond the Employer's control, such as, but not limited to: an act of God public health emergency declared by government entity, flood, earthquake, equipment malfunction, or other similar causes. This paragraph shall only apply to the individual departments when only a portion of the complete operation is affected.

B. Employees required to remain on the premises of the Employer, or required to hold themselves in readiness to the extent that their time cannot be used as their own, shall be paid for such time.

C. If because of a breakdown as defined herein, the employer requires employees to work on a regularly scheduled day off to "catch up", such work shall be at straight time pay as long as the employee has not exceeded his forty hours worked. The employee must have been on the Employer's payroll, and a member of the bargaining unit for a thirty (30) day period immediately preceding the holiday to be eligible for holiday pay and six (6) months of employment to be eligible for the floating holidays. This subsection shall not apply to employees transferring within the bargaining unit.
2. The employee shall have worked, if requested by the Employer, all of the hours scheduled for work on the last regularly scheduled work day preceding the holiday and the next regularly scheduled work day following the holiday, except in the case of an employee being off with an industrial injury or accident and/or illness for which the Employer

3. The employee shall have worked all the hours of work scheduled for the week in which the holiday occurs, if requested to work by the Employer, including work on the Saturday in the holiday week, except where religious beliefs or bona fide illness prevents the employee from working, and including the Saturday prior to a holiday in the event a holiday falls on Sunday and is recognized on Monday. This subsection shall not include employees working in industrial laundry work. This paragraph shall be interpreted so the Employer may require the Saturday before the holiday or the Saturday after the holiday, but not both Saturdays, in order for the employee to qualify for holiday pay.

C. Any work performed in excess of thirty-two (32) hours or 30 (thirty) hours on a 4/10 workweek on non-holidays within the same week as a paid holiday shall be paid at the rate of time and one-half (1 h) the regular straight-time hourly rate of pay for all work performed.

D. Any employee who works on a paid holiday shall be paid time and a half for all hours worked and shall receive 8 or 10 hours straight time holiday pay (depending upon their regular work week) even though he she might not otherwise qualify to be paid for the holiday if he/she did not work it. Qualified employees will be offered the opportunity to volunteer for such work on the basis of seniority, and if there are insufficient volunteers the required work may be assigned to qualified employees on an inverse seniority basis.

E. At the option of the Employer, the Friday preceding a Saturday holiday may be declared a no-work day. Eligible employees shall be paid for Friday, as a holiday, in accordance with Section 5-A, B and C above.

F. A layoff of sixty (60) days or less shall not affect an employee's right to holiday pay insofar as the requirement of working one month for the Employer is concerned.

G. When a paid holiday falls on a Sunday, the following day shall be observed as the holiday, except that for employees whose regular workday is a Sunday, the Sunday will be treated as the holiday.

F. The Employer shall submit monthly, a list showing the names and Social Security numbers of all employees who were compensated by the Employer during the period covered, the number of hours worked, and the resulting contributions due.

G. The Trustees may at any time have an audit made by a duly authorized representative of the payroll and wage and other relevant financial records of an Employer in connection with the said contributions and/or reports.

H. In addition to any other remedies to which the Union or the Fund may be entitled, if the Employer is in default for one or more months, he shall pay such reasonable rate of interest, retroactive to the due date, as the Trustees may fix on the moneys due to the Fund

from the date when the payment was due to the date when payment is made, together with all expenses of collection and legal fees.

I. The Employer will, at no cost to employees, provide life insurance policies for all employees who have completed one (1) year of service. Such policies will provide a death benefit of no less than \$3,500.00 per employee.

SECTION 18. ETHNIC AND CULTURAL DIVERSITY

A. In the event that an employee expresses that he or she is experiencing difficulty understanding English in a situation involving a dispute on the shop floor, a possible grievance, possible confusion about work duties and responsibilities, or necessary clarification of questions arising out of this Agreement, he or she may request the assistance of a translator of his or her choice, as long as such translator is on the premises.

B. In the event that the Employer is served with a validly executed INS Search or Arrest warrant, the Employer shall, to the extent legally possible, arrange for a questioning of employees to occur in as private a setting as possible in the workplace.

C. Should an INS agent demand entry into the Employer's premises or the opportunity to interrogate, search or seize the person or property of any employees, than the Employer shall immediately notify the Union steward.

SECTION 19. TIME RECORDS

A. Time records shall be maintained by the Employer for all employees for the purpose of recording time worked. These records shall show the actual time the employment begins and ends each day, as well as the time out for meal periods, the hours worked in each day and the total hours worked for the pay period.

B. Time clocks with suitable timecards or other adequate timekeeping records shall be provided by the Employer.

C. Where time clocks are installed and timecards are to be punched, they must be operated by each individual employee in accordance with the Employer's instructions.

D. Where an incentive plan is in operation, the Employer shall provide the employee with a record of his or her productivity for the day if the plan is on a daily basis, or for the week if it is on a weekly basis. These records may be furnished to the employee by means of a bulletin board or individual reports. Pay stubs will include all information required by State and Federal law.

E. All records showing hours of employment, starting and quitting time, and records of productivity where an incentive plan of compensation is in effect, shall be made available to the accredited representative of the Union when requested by the Union during regular business hours.

F. The Employer shall furnish or make available to the Union representative a suitable place for the purpose of inspecting such records, and such records shall not be removed from the business establishment of the Employer.

SECTION 20. BULLETIN BOARDS

It is agreed that suitable bulletin boards will be installed by the Employer near the time clock or another appropriate place. These bulletin boards are also for the use of the Union in posting notices and other official Union matters. An area at least 12" x 18" will be kept clean for exclusive use by the Union. All job vacancies covered by this Agreement will be posted on these boards for at least 24 hours before the position is filled, and the Union stewards shall be given a copy of said posting when it goes on the board.

SECTION 21. DISCRIMINATION

The Employer provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, gender, sexual orientation, gender identity or expression, national origin, age, disability, genetic information, marital status, amnesty, or status as a covered veteran in accordance with applicable federal, state and local laws. The Employer complies with applicable state and local laws governing non-discrimination in employment in every location in which the company has facilities. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, promotion, termination, layoff, recall, and transfer, leaves of absence, compensation, and training. The Employer expressly prohibits any form of unlawful employee harassment based on race, color, religion, gender, sexual orientation, gender identity or expression, national origin, age, genetic information, disability, or veteran status. Improper interference with the ability of the Employer's employees to perform their expected job duties is absolutely not tolerated.

SECTION 22. WORKING RULES AND REGULATIONS

Rules and regulations for the conduct of the business such as the Employer shall consider necessary and proper, which do not conflict with the terms of this Agreement, shall be observed by all employees. New rules and/or rule changes in existing rules shall not become effective until ten (10) working days after they have been posted, with a copy forwarded to the Union. Such rules and regulations shall be posted in a conspicuous place by the Employer, or they may be issued to employees in the form of a manual.

SECTION 23. MANAGEMENT RIGHTS

A. Except as limited by the specific provisions expressed in this Agreement, the Employer shall continue to have the right to take any action it deems appropriate in the management of the business and in the direction of its working force in accordance with its judgment, including but not limited to: (a) the right to control, plan, direct, expand, change, reduce and terminate the operations and/or job classifications; (b) to hire, assign and transfer employees; (c) to relieve employees from duty because of lack of work or for other reasons; (d) to suspend, discharge, or otherwise discipline employees for just cause; (e) to introduce any

new or improved methods or facilities; (f) to make reasonable rules and regulations to govern employees and for the operation of its business.

B. It is expressly understood and agreed that all rights, prerogatives and privileges which the Employer had prior to the execution of this Agreement, except only those which are expressly relinquished herein by the Employer, are hereby expressly reserved and retained by the Employer and shall continue to be vested exclusively in the Employer.

SECTION 24. SENIORITY

A. Full consideration shall be given to employees' continuous length of service records in making promotions, layoffs and rehiring after layoffs.

B. In the event of lay off, probationary employees shall be laid off before non-probationary employees who are qualified to perform the job functions of the probationary employees.

C. Application of Seniority. It is understood and agreed that seniority at each Employer's plant shall be based on the employee's hire date or assignment to that plant as recorded by Payroll. When questions arise as to the application of seniority when two or more employees are hired the same day, the employee with the higher personnel number will be deemed least senior. In the event of reduction of forces due to the slackness of work, including a reduction of hours, the last employee hired in the department shall be the first employee laid off; and in rehiring, the last employee laid off shall be the first employee hired until the list of former employees is exhausted. In the event of layoffs because of lack of work or in rehiring of employees laid off, length of service and ability to perform the work shall be considered. If ability and physical fitness to perform the work are relatively equal, then seniority shall govern. In the event of a dispute over this issue, it may be submitted to step two of the grievance procedure and a meeting will be held within three working (3) days.

D. In the event an employee's job is eliminated or suffers a reduction in hours, the affected employee may bump the least senior employee in that classification. If there is not an employee with less seniority in the laid off employee's present classification, the laid off employee may bump the least senior employee in a classification in which the employee has experience and proven ability to perform the duties due to prior experience in the industry. An employee will be allowed a two (2) week trial period in which to perform the new duties according to job standards and the satisfaction of the Employer. If at the end of that time the employee is not performing satisfactorily, he/she will be laid off. Prior to such layoff, the Union will be notified.

Seniority shall be terminated by any of the following:

1. Resignation.
2. Discharge;
3. Failure to report on recall from layoff within five (5) days of notice sent by return receipt-requested certified mail to the employee's last address;
4. Layoff or non-industrial sickness/leave in excess of six (6) months (180 days).

5. Failure to report to work without contacting a manager for three consecutive days. If the reason is due to physical inability or for good cause, a discharged employee may be reinstated, and seniority restored. Disputes arising from this section are subject to the grievance procedure.

E. Laid off employees will retain seniority as follows:

Up to 180 days employment:	90 days
180 days - 1 year employment:	180 days
1 year – 5 years employment:	270 days
Over 5 years employment:	365 days

F. In applying this Section, including distribution of overtime, the Employer will act on a reasonable basis and will not engage in favoritism.

G. Employees on layoff who are subject to recall shall be considered for vacancies for all positions covered by this Agreement, provided that any such employee must apply for the vacancy, must have the skill and ability to perform the functions of the vacant job, and, if plant relocation is sought, must have a personnel file with the Employer, prior to the layoff, that does not reflect any misconduct, substantial violations of Employer rules or policies, or suspension from work during the twelve (12) months prior to the layoff. Any such job applicants who satisfy these standards shall be given a preferential right to hire over new applicants who have not worked by the Employer previously.

H. Job Bidding. The Employer recognizes the desire of its employees to make promotion opportunity a matter of fair and equal treatment. To facilitate that desire, the Employer shall post on the Company bulletin board for three (3) days an "Interest List" for promotions or transfers to other jobs.

SECTION 25. DISCIPLINE AND DISCHARGE

A. It is understood and agreed that the right of discharge shall rest in the discretion of the Employer, provided the Employer shall not discharge or otherwise discriminate against any employee because of Union affiliation or activity, where such activity does not interfere with the ordinary work of the employee. If any employee feels that he/she has been unjustly discharged, he/she may have his/her grievance brought to the Grievance Procedure by the Union for consideration and final disposition.

B. No employee shall be discharged for poor production without having previously received appropriate progressive discipline in a three-step process: written notice, suspension, and termination, provided the employee has received appropriate verbal counseling before such written notice. If a suspension occurs, a meeting of the Union, the Employer, and the employee must take place.

C. Where possible, discipline of employees shall not be administered in front of other bargaining unit employees, except in those cases (i) where the employee requests a witness or Union representative or (ii) where reasonable to protect the immediate personal

safety or property of employees or the Employer or (iii) where another employee is present for translation purposes with the permission of the individual receiving the discipline. Discipline shall be administered in a professional manner.

D. All discipline in an employee's file, shall not be used for the purpose of progressive discipline after twelve (12) months except for discipline that is legally defensible issues such as harassment, hostile work environment, discrimination and retaliation. This discipline will remain in the employees file for the purpose of progressive discipline for a period of three (3) years.

SECTION 26. GRIEVANCE PROCEDURE

This grievance procedure shall be applicable to all disputes between the parties.

A. The first step will be for the grievant and his/her supervisor to attempt to resolve the grievance with the assistance of the Union Representative if requested by the employee within one week of the grieved incident.

B. If the first step meeting fails to resolve the grievance, it will then be reduced to writing and submitted to the Union within thirty (30) days of the occurrence. The Union Representative and the Plant Manager will then meet to attempt to resolve the dispute.

C. If the Plant Manager and the Union Representative fail to resolve the dispute, it will then be submitted to Human Resources in an attempt to resolve the dispute.

D. If Human Resources and the Union Representative fail to resolve the dispute, it will then be submitted to the Federal Mediation and Conciliation Service within sixty (60) days of the filing of the grievance. At an informal hearing, the Mediator will attempt to resolve the issues, following a presentation of each party's case.

E. If the grievance is not disposed of at the hearing with the Mediator, then the matter shall be submitted to arbitration within thirty (30) days of the conclusion of the hearing with the Mediator. When a grievance is submitted to arbitration, the Employer and the Union will jointly request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Services and alternately scratch names until one (1) arbitrator remains.

F. The decision of the designated arbiter shall be final and binding upon both parties. Should either party refuse to accept such decision, then the other party may take whatever action they deem necessary to force compliance with said decision.

G. It is hereby agreed that the cost of the arbiter through the Federal Mediation and Conciliation Service and the incidental costs added thereto shall be borne equally by the Union and the Company.

H. It is hereby agreed that the limitation as to time as set forth in this clause shall not be applicable if a delay is occasioned by reasonable inability by either one of the parties to meet within the prescribed time limits.

I. It is further agreed that any dispute involving wage rates, overtime or other matters involving the pay of employees must be filed in writing within thirty (30) days of the act or omission which is grieved and retroactive compensation shall be limited to three (3) months preceding the date of filing.

J. Pending the decision of any question referred to this Grievance Procedure work shall be continued in accordance with the provisions of this Agreement.

SECTION 27. SUCCESSORS

A. This Agreement shall be binding upon the heirs, executors, administrators, and assignees of the parties hereto.

B. It is further agreed that in the event the ownership of the Employer's business is changed by sale, merger or any other manner, the Employer shall notify the intended purchaser of the existence of this Agreement and shall furnish the intended purchaser with a copy thereof, and arrangements will be made between the prospective purchaser and the present Employer for the prorated vacation which may be due an employee at the time the transfer of ownership takes place. The Employer shall also notify the Union of said sale, merger or lease.

SECTION 28. SAVINGS CLAUSE

In the event any section, clause or provision of this Agreement be declared illegal by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portion hereof, and such remaining portions shall remain in full force and effect for the duration of this Agreement.

SECTION 29. LITIGATION

The parties stipulate that this Agreement has been entered into in the County of Pima and any litigation involving said Agreement, or arising out of said Agreement, shall be brought in said County where the Employer is located and the dispute originated.

SECTION 30. USERRA

The Employer agrees to abide by USERRA.

SECTION 31. JOINT LABOR-MANAGEMENT COMMITTEE

A. There will be established a Joint Labor-Management Committee. The permanent members of the committee shall be representatives of the Local Union and the Employer.

B. It is agreed and understood that this committee acts in an advisory capacity only, and does not have the authority to change, modify, or add to this Agreement, nor are any of their decisions binding on the parties covered by this Agreement. Subjects that can be discussed include but are not limited to health issues, safety issues, and respect and dignity issues.

SECTION 32. HEALTH AND SAFETY

A. General. The Employer shall make reasonable provisions to assure the safety and health of its employees during their hours of work. The Union agrees to cooperate with the Employer to ensure that all supervisors and employees comply with such reasonable rules, regulations and practices as may be necessary to provide safe, sanitary and healthful working conditions.

B. Both the Union and the Employer recognize that there are specific obligations under Federal, State and local standards or guidelines including those addressing hazard communications, lockout tagout, and bloodborne pathogens. Employees shall be provided with applicable safety and health information.

Declared Public Emergency – in the event that local, state or federal government agencies declare a state of emergency that affects the conduct of business, both parties will meet and confer with regard to the effect on business and the employees. In these cases, the parties may temporarily amend by way of Memorandum of Understanding the contractual language with the intent of continuing business effectively and preserving employment opportunities. It is also understood that if such a declared public emergency requires the Company to take actions that are in contradiction of the collective bargaining language, the Union will not interfere or otherwise oppose such actions unless there is expressed collective bargaining exemption language set forth in the public order. Likewise, it is understood that the Employer and Employees must comply with any orders set forth as mandatory by any government agency in response to a declared emergency.

C. Protection from Heat Stress. The Employer shall provide an adequate number of clean drinking fountains or bottles with cool water and clean cups to allow easy access by employees for frequent drinking. The Employer shall take all reasonable measures to reduce heat exposure and will consider any recommendations provided by the Safety and Health Committee.

D. Sanitation. Restrooms shall include appropriate lighting and mirrors, and will be stocked with all necessities. The restrooms will be kept free of clutter and maintained in a sanitary condition. The restrooms will be open during working hours, lunch and rest periods, unless temporarily closing is necessary for repair, cleaning or remodeling. Handwashing facilities will be made accessible to employees.

E. Protection from Bloodborne Pathogens:

a) Protective Equipment: For employees with potential occupational exposure, such as skin contact, to blood or other potentially infectious materials, the Employer shall provide appropriate personal protective equipment. Personal protective equipment will be considered "appropriate" only if it does not permit blood or other potentially infectious materials to pass through to or reach the employees' clothes, skin, eyes or mouth, under normal conditions of use. The Employer shall repair or replace personal protective equipment as needed to maintain its effectiveness, at no cost to the employee, except in cases of intentional

damage or negligence. Disposable (single use) gloves such as surgical or examination gloves, shall be replaced as soon as practical when contaminated or as soon as feasible if they are torn, punctured, or when their ability to function as a barrier is compromised.

b) Vaccinations: The company shall offer the Hepatitis B vaccination series to all employees with potential occupational exposure to blood within ten (10) working days of initial assignment, unless the employee has previously received the complete Hepatitis B vaccination series, antibody testing has revealed that the employee is immune, or the vaccine is contraindicated for medical reasons.

F. Joint Safety and Health Committee. A Joint Safety and Health Committee ("Committee") will be established by the Employer and the Union, composed of up to three (3) members of the bargaining unit selected by the Union and up to three (3) members of management selected by the Employer. The Committee shall be organized to provide assistance in identifying and eliminating potential hazards throughout the facility. The General Manager or his/her designee will coordinate the meetings of the Committee; set agenda with input from members; assist with resources and technical assistance; and closely monitor all documentation including meeting minutes, activities, and committee recommendations to ensure appropriateness, effective resolution, and compliance with applicable laws, regulations, code provisions, policies and/or procedures. This Committee shall meet at least once a month and will make a monthly plant safety tour. Additionally, members shall become familiar with production processes and working conditions and will make recommendations to management to improve safety and health in the workplace. The Employer will consider all the recommendations from the Committee in good faith.

G. Safety and Health Related Training. The Employer shall provide job safety and health related training as required by Federal, State and Local regulations. Such training shall take place at intervals that comply with the applicable regulation or standard.
